Lakhs for the previous year. Further, the net profit for the current year under review was Rs. 1,313.85 Lakh as compared to Rs. 1,206.42 Lakhs in previous year.

DIVIDEND:

Your Directors are pleased to declare a final dividend @ 10% (i.e. 0.20) per equity share on 2,91,71,500 Equity shares of Face Value of Rs. 2 each amounting to Rs. 58,34,300/- for the Financial Year 2024-25 subject to the approval of Members at the forthcoming Annual General Meeting ("AGM").

The Register of Members of the Company will remain closed from Tuesday, September 23, 2025 to Monday, September 29, 2025 (both days inclusive) for the purpose of AGM and declaration of Dividend. The cut off (record date for declaration of dividend) is Monday, September 22, 2025.

GENERAL RESERVE:

The Company has not transferred any amount to the General Reserve during the financial year ended March 31, 2025.

INVESTOR EDUCATION AND PROTECTION FUND:

During the year, the unclaimed dividend amount of Rs. 1,04,813 pertaining to the final dividend for the financial year 2016-2017 was transferred to the Investor Education & Protection Fund in compliance with the provisions of Sections 124 and 125 of the Companies Act, 2013.

In compliance with these provisions read with the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016, your Company also transferred 10,002 Equity shares to the Demat Account of the IEPF Authority, in respect of which dividend had remained unpaid/ unclaimed for a consecutive period of 7 years.

NATURE OF BUSINESS AND CHANGES THEREIN:

The Company is engaged in the business of Merchant Exports of Cotton textiles and to specialize in the export of quality Cotton Yarns and fabrics. Lahoti's range today covers a wide variety of Cotton Yarns including carded & combed ring spun yarns of coarse & fine counts, ply yarns, special yarns and grey knitted and woven fabrics.

The Company is also engaged in the business of setting up of Power projects and to generate, supply, distribute, transmit and transform electric or other sources of power.

During the year under review, there has been no change in the nature of business of the Company.

MATERIAL CHANGES AND COMMITMENTS AFFECTING FINANCIAL POSITION BETWEEN THE END OF THE FINANCIAL YEAR AND DATE OF REPORT:

There have been no material changes or commitments, affecting the financial position of the Company between the end of the financial year to which the financial statements relate and the date of report.

SUBSIDIARY COMPANIES:

The Company has 2 (two) Wholly Owned Subsidiaries namely G Varadan Limited and Innovative Spintex Private Limited.

During the year under review, Innovative Spintex Private Limited became a Wholly Owned Subsidiary of the Company.

The Board of Directors ('the Board') reviewed the affairs of the subsidiaries. In accordance with Section 129(3) of the Companies Act, 2013, we have prepared consolidated financial statements of the Company and all its subsidiaries, which form part of the Annual Report. Further, a statement containing the salient features of the financial statements of our subsidiaries in the prescribed format AOC-1 is appended as **Annexure I** to the Directors' Report.

The Audited Consolidated Financial Statements (CFS) of your Company for the financial year ended March 31, 2025, prepared in compliance with the provisions of Ind AS 27 issued by the Institute of Chartered Accountants of India (ICAI) and notified by the Ministry of Corporate Affairs (MCA), Government of India also form part of this Annual Report.

The Annual Reports of the Subsidiaries will be made available for inspection by any Member of the Company at the Registered Office of your Company at 307, Arun Chambers, Tardeo Road, Mumbai – 400 034 between 11:00 A.M. to 1:00 P.M. on any working day upto the date of ensuing AGM. The Annual Reports of the aforesaid Subsidiaries for the financial year ended March 31, 2025 shall be provided to any Member of the Company upon receipt of written request. Members may also send an advance request at the e-mail id investor@lahotioverseas.com for an electronic inspection of the aforesaid documents.

The Audited Financial Statements of the Subsidiaries of your Company are also available on the website of the Company at www.lahotioverseas.in.

No Independent Director on the Board of the Company is required to be inducted on the Board of its subsidiaries as the subsidiary is not a material, non-listed subsidiary Company as defined in the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015. The Audit Committee of the Company reviews the financial statements of the unlisted subsidiaries. The minutes of the Board meetings of unlisted subsidiaries company are regularly placed at the Board meetings of the Company.

DEPOSIT:

During the year under review, your Company did not accept any deposits in terms of Section 73 of the Companies Act, 2013 read with the Companies (Acceptance of Deposit) Rules, 2014. No amounts were outstanding which were classified as 'Deposits' under the applicable provisions of Companies Act, 2013 as on the date of Balance Sheet and hence, the requirement for furnishing of details of deposits which are not in compliance with the Chapter V of the Companies Act, 2013 is not applicable.

PARTICULARS OF CONTRACTS OR ARRANGEMENTS WITH RELATED PARTIES:

Section 188 of the Companies Act, 2013 read with the Companies (Meetings of Board and its Powers) Rules, 2014 specifies the requirement for approval of the Board and/or the Members, as and when applicable in related party transactions in relation to contracts/arrangements.

During the year under review the Company has not entered into related party transactions as per the provisions of Section 188 of the Companies Act, 2013. Thus disclosure in Form AOC-2 is not required. Further there are no materially significant related party transactions during the year under review made by the Company with Promoters, Key Managerial Personnel or other designated persons which may have a potential conflict with the interest of the Company.

The Company has formulated a related party transactions policy and the same is displayed on the website of the company viz. <https://lahotioverseas.in/board-of-directors-and-committees/#Policies%E2%80%8B>

PARTICULARS OF LOANS, GUARANTEES AND INVESTMENTS:

Loans, guarantees and investments covered under Section 186 of the Companies Act, 2013 form part of the notes to the Financial Statements provided in this Annual Report.

However, the Company was not required to pass special resolution as the Loans advanced, and investments made in accordance with the said provisions has not exceeded the limits as specified in the provision.

BOARD OF DIRECTORS:

As per the requirements of Section 149, 152 of the Companies Act, 2013 and such other applicable provisions of the Companies Act and as per provisions of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 which defines the composition of the Board, the Board of Directors of the Company have been constituted in compliance with the said Sections and Regulations.

Further at the time of appointment of an Independent Director, the Company issues a formal letter of appointment detailing their role and function in the Company, the format of the letter of appointment whereof is available on the website of the Company at <https://lahotioverseas.in/board-of-directors-and-committees/#committee>.

As on the date of this report, the Company's Board consists of the following Independent Directors:

1. Mrs. Meghna Panchal
2. Mr. Sanjay Deshpande
3. Mr. Ravi Seth.

As per Section 152 and other applicable provisions of the Companies Act, 2013 read with applicable Articles of the Articles of Association of the Company, none of the Directors of the Company are liable to retire by rotation and is eligible for re-appointment.

KEY MANAGERIAL PERSONNEL:

Mr. Umesh Lahoti, Managing Director, Mr. Ujwal Lahoti, Executive Director, Mr. Aadhitya Lahoti, Executive Director Mr. Mahesh Mishra, Chief Financial Officer and Ms. Mugdha Deo, Company Secretary & Compliance Officer are the Key Managerial Personnel of the Company, in terms of Section 2(51) read with Section 203(1) of the Companies Act, 2013.

During the year, five Board Meetings were convened and held, the details of number of meetings of the Board and various Committee during the Financial Year 2024-2025 forms part of the Corporate Governance Report.

COMPANIES POLICY ON DIRECTOR'S APPOINTMENT AND REMUNERATION:

In Compliance with Section 178 of the Companies Act, 2013 and the relevant provisions of SEBI (Listing Obligations and Disclosure Requirement) Regulations, 2015, the Board constituted the Nomination and Remuneration Committee comprising of Three (3) Non-Executive Independent Directors of the Company and further the Board in consultation with the Nomination and Remuneration Committee formulated the Nomination and Remuneration Policy.

The Remuneration policy of the Company comprises inter alia the aims and objectives, principles of remuneration, guidelines for remuneration to Executive and Non-Executive Directors and Key Managerial Personnel and criteria for identification of the Board Members and appointment of Senior Management.

The Criteria set out identification of the Board members are given hereunder:

1. The Committee shall identify and ascertain the integrity, qualification, expertise and experience of the person for appointment as Director, KMP or at Senior Management level and recommend to the Board his / her appointment.
2. A person should possess adequate qualification, expertise and experience for the position he / she is considered for appointment. The Committee has discretion to decide whether qualification, expertise and experience possessed by a person is sufficient / satisfactory for the concerned position.

3. The Company shall not appoint or continue the employment of any person as Whole-time Director who has attained the age of seventy years. Provided that the term of the person holding this position may be extended beyond the age of seventy years with the approval of shareholders by passing a special resolution based on the explanatory statement annexed to the notice for such motion indicating the justification for extension of appointments beyond seventy years.

The Nomination and Remuneration Policy has been posted on the website of the Company <https://lahotioverseas.in/board-of-directors-and-committees/#Policies%E2%80%8B>.

ANNUAL EVALUATION OF THE BOARD:

Pursuant to applicable provisions of the Companies Act, 2013 and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Board had adopted a formal mechanism for evaluating its own performance and as well as that of its committees and individual Directors, including the Chairperson of the Board.

The Board, on the recommendation of Nomination and Remuneration Committee, have evaluated the effectiveness of the Board, Committees and individual Director for the financial year 2024-2025.

INTERNAL FINANCIAL CONTROL:

The Company has in place adequate internal financial controls with reference to financial statements. During the year no reportable material weakness in the design or operations were observed.

INTERNAL CONTROLS OVER FINANCIAL REPORTING (ICFR):

The Company has in place adequate internal financial controls commensurate with the size, scale and complexity of its operations. During the year such

controls were tested and no reportable material weakness in the design or operations were observed. The Company has policies and procedures for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records and the timely preparation of reliable financial information.

CORPORATE SOCIAL RESPONSIBILITY (CSR):

Your Company has formed a CSR Committee comprising Mr. Ujwal Lahoti as the Chairperson, Mr. Umesh Lahoti & Mr. Sanjay Deshpande as its members. The Committee is responsible for formulating and monitoring the CSR policy of the Company.

CSR activities, as per the provisions of the Companies Act, 2013, may be undertaken by the Company through a registered trust or a registered society.

The Annual report on the CSR activities undertaken by the Company is appended to this report as **Annexure -2**.

VIGIL MECHANISM/WHISTLE BLOWER:

As per the provisions of Section 177(9) and 177(10) of the Companies Act, 2013 and the relevant provisions of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 the Company has adopted a Whistle Blower Policy to report genuine concerns or grievances and to deal with the instances of fraud and mismanagement.

The Whistle Blower Policy has been posted on the website of the Company <https://lahotioverseas.in/board-of-directors-and-committees/#Policies%E2%80%8B>.

During the year under review, there were no complaints/concerns that arose.

DIRECTORS' RESPONSIBILITY STATEMENT:

Pursuant to sub-section (5) of Section 134 of the Companies Act, 2013 and to the best of their knowledge and belief and according to the information and explanations obtained /received from the operating management, your Directors make the following statement and confirm that-

- (a) in the preparation of the Annual Accounts, the applicable accounting standards have been followed along with proper explanation relating to material departures;
- (b) the directors had selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the company at the end of the financial year and of the profit and loss of the company for that period;
- (c) The directors have taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of this Act for safeguarding the assets of the company and for preventing and detecting fraud and other irregularities;
- (d) The directors have prepared the annual accounts on a going concern basis;
- (e) The directors had laid down internal financial controls to be followed by the Company and that such internal financial controls are adequate and were operating effectively; and
- (f) The directors had devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

ANNEXURE -3

FORM NO. MR-3 SECRETARIAL AUDIT REPORT FOR THE FINANCIAL YEAR ENDED ON MARCH 31, 2025

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule No.9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

To,
The Members,
Lahoti Overseas Limited

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Lahoti Overseas Limited (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the company has, during the audit period covering the financial year ended on March 31, 2025 ('Audit period') complied with the statutory provisions listed hereunder and also that the company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

- We have examined the books, papers, minute books, forms and returns filed and other records maintained by Lahoti Overseas Limited for the financial year ended on March 31, 2025 according to the provisions of:
 - i. The Companies Act, 2013 (the Act) and the rules made thereunder as amended from time to time;
 - ii. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
 - iii. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;

- iv. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- v. The Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') viz.:-
 - a. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015.
 - c. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018; **(Not applicable to the company during the Audit Period)**
 - d. The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021; **(Not applicable to the company during the Audit Period)**
 - e. The Securities and Exchange Board of India (Issue and Listing of Non- Convertible Securities) Regulations, 2021; **(Not applicable to the company during the Audit Period)**
 - f. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - g. The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021; **(Not applicable to the company during the Audit Period)**
 - h. The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018; **(Not applicable to the company during the Audit Period)** and
 - i. The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 and amended from time to time;

- We have relied on the representation made by the Company and its Officers for systems and mechanism formed by the Company for compliances under other Acts, Laws and Regulations as applicable specifically to the company.

We have also examined compliance with the applicable clauses of the following:

- i. Secretarial Standards issued by The Institute of Company Secretaries of India.

During the period under review the company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

We further report that:

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

All decisions at Board Meetings and Committee Meetings are carried out unanimously as recorded in the minutes of the meetings of the Board of Directors or Committee of the Board, as the case may be.

We further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that the compliance by the Company of applicable financial laws, like direct and indirect tax laws, and Labour Law Compliances have been subject to review by statutory financial audit and other designated professionals.

We further report that during the audit period the Company has not passed any resolution for:

- i. Public/Right/Preferential issue of shares / debentures/sweat equity, etc.
- ii. Redemption / buy-back of securities.
- iii. Major decisions taken by the members in pursuance to section 180 of the Companies Act, 2013.
- iv. Merger / amalgamation / reconstruction, etc.
- v. Foreign technical collaborations.

MANAGEMENT DISCUSSION & ANALYSIS

Industry Structure and Development

Textile division:

India is the 6th largest textile exporter globally, contributing about 2% of GDP, 8.21% of national exports, and 10% of industrial output as of 2023-24. The sector provides direct employment to over 45 million people, especially in cotton textiles and apparel.

Lahoti Overseas Limited is mainly engaged in the merchant exports of cotton yarn & grey fabrics where the Company has strong presence and leadership. The Company has strong market presence in export markets like Germany, Portugal, Bangladesh, Vietnam, South Korea, Peru, Colombia, Egypt, Turkey & so on. The Company enjoys the excellent relationship with its overseas customers, which has been built over the years by strictly adhering to delivery schedules maintaining consistent quality and providing prompt after sales service.

India's Export Statistics for cotton textile (April 2024-January 2025)

	In Value (million USD)		
	April - January		
Product	2023-24	2024-25	% Growth
Fibre	729.4	660.53	-9.44
Yarn	3121.02	2939.42	-5.82
Fabrics	1835.28	1952.92	6.41
Made ups	3563.68	3828.12	7.42
	9249.38	9380.99	1.42

India's cotton production in 2024-25 dropped by ~10% due to reduced acreage and weather issues. This led to a rise in domestic prices and increased import dependence, making Indian cotton textiles costlier than global competitors. Exporters faced margin pressures and were unable to offer competitive prices to foreign buyers. India imposed an 11% import duty on raw cotton, increasing the input cost for raw material.

Power Projects Division:

India added a record 25 GW of renewable (nonfossil) capacity in FY 2024-25—the highest ever raising the total to approximately 222.9 GW as of February.

Solar power led the growth: ~20.8-23.8 GW added, pushing total solar capacity to ~100-102 GW (>100 GW Wind added ~4.15 GW, taking total to ~48-50 GW.

Government of India has taken several measures to encourage Renewable Energy Sector in India. Many State Governments and Government of India undertakings also have come out with the Reverse Bidding System to fulfil their obligations for Renewable Energy and combined with this sector has become the most talked about sector attracting huge investments and has the potential for huge growth in future.

Lahoti Overseas Limited has ventured into the Renewable Energy Sector by installation of Wind Power projects and Solar Power projects. However, the falling trend in the power purchase prices are affecting adversely on the profit margins and growth prospects.

Awards and Recognitions

- The Company has won the Business World International Business Award for Category – “Best Export House” for excellent performance in exports in the year 2010-11.
- The Company have received Second Award in Merchant Exporter Category and Third Award in Trading House Category from Government of Maharashtra for its export performance in the year 2010-11.
- The Company has been awarded with Gold Trophy Award for highest exports of Cotton Yarn (count 50s & below Category II) by Texprocil for the year 2021-22.
- The Company has received Golden Plaque award for highest exports of Cotton Yarn Counts 51s and above in Category I and Silver Trophy for Second Highest Exports of Grey Fabrics in Category II.
- The company has received Silver Trophy for Second Highest exports of Cotton Yarn Counts 50s and below in Category II in the year 2022-23.

These awards recognized the efforts of the Company in the creation of path breaking trends and excellent export performance in Cotton Textile Industry.

Opportunities and Threats

Textile Division:

Government Support & Policy Push

- **Production-Linked Incentive (PLI) Scheme**, though initially targeted at MMF, has downstream benefits for blended and cotton yarn segments.
- **PM-MITRA parks** (Mega Integrated Textile Region and Apparel) aim to create plug-and-play ecosystems, where cotton yarn manufacturing can anchor spinning units.
- **Cotton Productivity Mission** launched in 2024 to support raw material supply and reduce dependence on imports.

Rising Domestic Demand from Apparel & Home Textiles

- India's **apparel and home textiles sectors** are growing steadily due to:
 - Expanding **middle class** and urbanization
 - Increased **online retail** and fashion brands sourcing locally

China+1 Strategy Boosting Export Prospects

- Global buyers are **diversifying supply chains away from China**, and India is a key alternative.
- **India's proximity, cost advantage, and quality consistency** make it a viable supplier for global mills.

Technical & Sustainable Cotton Yarn

- There's growing demand for **organic, BCI-certified, recycled, and traceable cotton yarn** from brands focused on ESG compliance.
- Indian mills adopting **zero-liquid discharge, renewable energy (solar/biomass)**, and **traceability tech** are gaining favor with international brands.

Export Incentives & FTA Prospects

- Ongoing negotiations and existing Free Trade Agreements (FTAs) with countries like **UAE, Australia, Japan, and UK** are expected to increase demand for Indian textiles.
- India may gain **preferential access** to high-demand regions where cotton yarn is a key intermediate good (e.g., EU, Southeast Asia).

While FY 2024–25 presented **challenges in raw material supply and global volatility**, the **long-term outlook for cotton yarn in India remains promising**.

Power Projects Division:

Power Projects specifically the Renewable Energy projects are highly capital intensive. These projects are also dependent on natural resources like wind, water, sunlight etc. The requirement of good infrastructures such as connectivity of roads, viability of communication systems play key roles in such projects. Being highly capital intensive, the cost of production of energy is relatively higher in such projects. However, there is no consumption of Raw Materials and also due to the substantial reduction in the capital cost in recent times, these projects are now becoming viable. The floor price of REC have been revised downwards recently will help to increase the sale of REC, however the matter of allowing the vintage multiplier to the old investors in the sector is still to be resolved and the same is subjudised.

Other Division:

Derivatives can help investors diversify their portfolios, hedge against price fluctuations, and manage risk. Derivatives allow investors to hedge against price fluctuations, diversify portfolios, and enhance overall risk management strategies

Segment wise and Product wise performance

Textile Division

Revenue in Textile Division has shown an increased by Rs. 1866.84 Lakhs when compared to last year. The profits of the Company shown an increase of Rs.96.30 Lakhs when compared to last year profits.

Power Projects Division:

Revenue from Power Division decreased by Rs. 113.95 Lakhs when compared to last year. However the Profits of Power division has shown a decrease by Rs. 99.68 lakhs.

Other Division:

Revenue from Derivatives (F&O) increase during the year by Rs. 69.62 Lacs. The Profit of the Derivatives has shown increase by Rs. 113.68 which includes increase from other Income (Interest from G-Sec) 59.30 during the year.

Outlook

Textile Division

The long term objective of the Company is to remain strong player in the cotton textiles export market with strong emphasis on product and market development, value added yarns, customer services and Technology Up gradation. Your Company is also continuously improving its operational efficiency, and cost control which alone can improve the bottom line in future in highly competitive environment. Further, your Company is hopeful to get advantage of the overall good times likely to come for the Indian Cotton Textile Industry and will do all out efforts to secure the bigger share of the increasing market in future.

A stable outlook on cotton and synthetic textiles would result from favorable policy environment, improvements in demand-supply position, continued stability in input costs and consequent improvement in margins/liquidity. However, the good monsoon and pick up in Indian economy due to various measures taken by the Government would unleash demand in the long run and offset any slowdown in exports. Further, the hope of revival of USA & European economy will als

By encashing the rich experience gained by the Company in the Cotton Textile sector, the company has plans to increase its efforts of marketing and to open up foreign offices in order to better serve its customers. The emphasis will also be on more exports of value added items such as dyed yarns, specialty yarns and grey and dyed fabrics.

Power Projects Division:

The overall outlook of the Renewable Energy sector in India has been positive. The supportive steps taken by Government of India and almost all State Governments in India have given a big boost to this sector. The reduction in capital cost of the project particularly in Solar Power have made this sector viable and due to the improvement in technology, this sector will become more competitive and self-sufficient. India has huge potential for Wind and Solar Power as the availability of wind and sunlight are available in abundance in India with favorable weather conditions and India has the fifth largest installed wind power capacity in the world.

Other Division:

The value of derivatives traded in India in 2025 was 422 times traditional cash trading - the highest among major global markets, Axis Mutual Fund said in a report last year. Retail investors now make up 35% of derivative trading in the country, prompting the regulator to issue repeated warnings on the risks of such trading. Indian regulators will form a panel to study the risk posed by the derivative trading surge. Nudged by SEBI, both BSE and NSE have launched investor awareness campaigns and issued warnings on risks associated with trading in options. The two exchanges have now shifted focus to wooing institutional investors, including foreign ones.

Risks and Concern:

A. Brief risk factors for Textile projects

- Our business shall dependent on the availability/ supply and cost of raw materials which we source from domestic suppliers. Any significant increase in the prices of these raw materials or decrease in the availability of the raw materials, could adversely affect our results of operations;
- Our business is subject to regulation by several authorities, which could have an adverse effect on our business and our results of operations;
- We are heavily dependent on our Promoters and the loss of their guidance and services may adversely affect our business or results of operations;

- Change in Government of India's Economic Liberalization policies may hinder prices of our equity shares;
- Change in Tax laws in India (i.e. Goods & Service Tax & Income Tax) may increase tax liabilities of the company inversely affecting PAT;
- Slowdown in the Indian economy may inverse effect in our profit;
- Any Natural calamities, terrorist attack on India may hinder our profit;
- Change in economic regulations and laws may also effect the company adversely
- Unfavourable tariff may reduce the competitiveness of Indian textiles.
- Risk of a change in policy that may affect the profitability of the project, for example changes in levels of tax credit or RPS targets. Also, this includes changes in policy as related to permitting and interconnection and implementation of such policy by Government;
- Risk of changes in electricity generation due to lack of sunshine or dust covering solar panels for long periods of time;
- Risk that all or parts of the solar park will be subject to sabotage, terrorism or theft and thus generate less electricity than planned;
- Risk of Natural Calamities.

B. Brief risk factors for Power projects

- Risk of property damage or liability stemming from errors during the building of new projects;
- Risk affecting the viability of the project developer, for example, risks related to key personnel, financial solidity and technical ability to execute on plans;
- Risk of environmental damage caused by the solar park including any liability following such damage;
- Risk of insufficient access to investment and operating capital;
- Risk of a cost increases for key input factors such as labour or modules, or rate decreases for electricity generated;
- Risk of unscheduled plant closure due to the lack of resources, equipment damages or component failures;
- Risk of reduction in sale price;
- Risk of components generating less electricity over time than expected;

Internal Control Systems and their adequacy

The Company has a proper adequate internal control system to ensure that all the assets are safe guarded and protected against the loss from unauthorized usage or disposition and that transactions are authorized, recorded and reported correctly.

The internal control is supplemented by an extensive internal audit, periodical review by the management and documented policies, guidelines and procedures. The internal control is designed to ensure that the financial and other records are reliable for preparing financial statements and other data and for maintaining accountability of assets.

Financial and Operational Performance

Report on Corporate Governance

In accordance with Regulation 34 read with Schedule V of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('SEBI Listing Regulations') and some of the best practices followed internationally on Corporate Governance System and processes at Lahoti Overseas Limited is as follows:

1. Our Corporate Governance Philosophy

The Company believes in abiding by the Code of Governance so as to be a responsible corporate citizen and to serve to the best interests of all the stakeholders, viz., the employees, shareholders, customers, vendors and the society at large. The Company seeks to achieve this goal by being transparent in its business dealings, by disclosing all relevant information in an easily understandable manner, and by being fair to all stakeholders, by ensuring that the organization is managed and monitored in a responsible manner for creating and sharing stakeholder's value and the Company's activities are managed by a professionally competent and independent Board of Directors. The performance of the Company is driven by integrity which is vital to gain the trust of the stakeholders.

Our Endeavour is to follow the spirit of good governance rather than the mere letter of the conditions specified by regulatory authorities.

The Company has strived to adopt a corporate governance framework to align itself with the new guidelines of the Companies Act, 2013 and the new SEBI Listing Regulations. The Company ensures timely disclosures and sharing of accurate information about financials and performance as well as leadership and governance of the Company.

The Corporate Governance philosophy of the Company rests on five basic tenets viz., Board's accountability, value creation, strategic guidance, transparency and equitable treatment to all stakeholders.

2. Board of Directors

(a) Composition:

The Company maintains optimum number of Directors in compliance with the Companies Act, 2013, SEBI Listing Regulations and in accordance with the best practices of Corporate Governance. The Board has the optimum combination of executive and non-executive/ Independent Directors thereby bringing objectivity and transparency in the Management and in dealings of the Company.

As on March 31, 2025, the Board consisted of Six Members of which 3 are Executive Directors and 3 are Non-Executive Directors. All members of the Board are persons with considerable experience and expertise in Industry.

The Chairman and Managing Director along with the Board of Directors provide leadership to the Board and to the Management in strategizing and realizing business objectives and are supported by the Executive Directors. The Independent Directors contribute by giving their valuable guidance and inputs with their independent judgment on the overall business strategies and performance.

None of the Directors on the Board is a Member of more than 10 Committees and Chairman of more than 5 Committees (Committees being Audit Committee & Stakeholders Relationship Committees as per the provisions of the SEBI Listing Regulations), across all the companies in which he/she is Director. The necessary disclosures regarding committee positions have been made by all the Directors. None of the Directors holds office in more than 20 companies and in more than 10 public companies.

SEBI Complaints Redress System (SCORES)

The Securities and Exchange Board of India administers a centralized web based complaints redress system (“SCORES”). It enables investors to lodge and follow up complaints and track the status of redressal online on the website at <https://scores.sebi.gov.in>. It also enables the market intermediaries and listed companies to receive the complaints from investors against them, redress such complaints and report redressal of such complaints. All the activities starting from lodging of a complaint till its disposal are carried online in an automated environment and the status of every complaint can be viewed online at any time. Your Company has registered itself on SCORES and endeavors to resolve all investor complaints received through SCORES.

All complaints have been redressed to the satisfaction of the shareholders and none of them were pending as on March 31, 2025.

SMART ODR

The Securities and Exchange Board of India (SEBI) has released a significant master circular on July 31, 2023, aimed at enhancing the resolution of disputes within the Indian securities market. This circular introduces a comprehensive framework for Online Dispute Resolution (ODR) to streamline the resolution process and protect the interests of investors, companies and intermediaries. The framework encompasses various stakeholders, including recognized Stock Exchanges, Clearing Corporations, Depositories, Stockbrokers, Depository Participants, Listed Companies, and SEBI Registered Intermediaries. The circular emphasizes the usage of online conciliation and arbitration mechanisms, offering investors and

market participants an efficient way to resolve disputes. Your Company has registered itself on ODR portal and endeavors to resolve all complaints.

No queries/complaints were received by your Company from investors/clients, during the financial year ended on March 31, 2025.

AUDITOR'S CERTIFICATE ON CORPORATE GOVERNANCE

To,

The Members of,

LAHOTI OVERSEAS LIMITED

We have examined the compliance of conditions of Corporate Governance by Lahoti Overseas Limited, for the year ended March 31, 2025, as stipulated in Regulation 27 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 of the Company for the period April 01, 2024 to March 31, 2025.

The compliance of conditions of Corporate Governance is the responsibility of the Management. Our examination was limited to procedures and implementations thereof, adopted by the Company for ensuring the compliance of the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the Financial Statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the above-mentioned SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as applicable.

As required by the Guidance Note issued by the Institute of Chartered Accountants of India, we have to state that as per the records maintained by the Company, there were no investor grievances remaining unattended/ pending for more than 30 days.

We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

INDEPENDENT AUDITOR'S REPORT

To the Members of Lahoti Overseas Limited

Report on the Audit of the Standalone Ind AS Financial Statements

Opinion

We have audited the standalone financial statements of Lahoti Overseas Limited ("the Company"), which comprise the Balance Sheet as at 31st March, 2025, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of changes in equity, Statement of Cash Flows for the year then ended and notes to the standalone Ind AS financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the standalone Ind AS financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, and profit (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Description of Key Audit Matter:

The Key Audit Matter	How the matter was addressed in our audit
<p>Revenue Recognition:</p> <p>1. The amount of ₹3,00,00,000 recorded as an advance for capital assets in the books of Wind Power 4 represents a payment made to Regen Powertech Pvt. Ltd. for the purchase of a new windmill. However, the supplier is currently insolvent and undergoing liquidation proceedings.</p>	<p>Our audit procedures included:</p> <p>a) The audit verified the ₹3,00,00,000 advance paid to Regen Powertech Pvt. Ltd. by reviewing the agreement and payment documents, confirming it as a capital advance for a windmill. Evidence of the supplier's insolvency and liquidation was obtained, and it was confirmed that the company has submitted its claim to the appointed liquidator. The likelihood of recovery was assessed, and considering the uncertainty, an appropriate provision has been recorded in the books. Relevant disclosures have been made in the financial statements regarding the advance and its recoverability. Management representation was also obtained to support the accounting treatment and disclosures made.</p>

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 and IND AS. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Ind AS Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by The Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the Ind AS financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Key Audit Matter

Key audit matters are those matters that in our professional judgement, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in our context of our audit of standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on those matters. We have determined the matters described below to be the key audit matter to be communicated in our report.

Information other than the Financial Statement and Auditors Report Thereon

The Company's Management and Board of Directors is responsible for the other information. The other information comprises Board's Report, Report on Corporate governance but does not include standalone financial statements and auditor's report thereon. Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements:

The Company's Management And Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with relevant rules issued thereunder. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant

to the preparation and presentation of the Ind AS financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the order,"), issued by the central Government of India in terms of sub-section (11) of section 143 other companies Act, 2013, we give in the "**Annexure A**", statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid standalone financial statement.
 - b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid standalone financial statement have been kept by the Company so far as it appears from our examination of those books.

- c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity, the standalone Statement of Cash Flows and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of the standalone financial statement.
- d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act.
- e) On the basis of the written representations received from the directors of the Holding Company and its subsidiary as on 31st March, 2025 taken on record by the Board of Directors of respective Companies, none of the directors is disqualified as on 31st March, 2024 from being appointed as a director in terms of Section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Holding Company and its subsidiary company incorporated in India and the operating effectiveness of such controls, refer to our separate Report in “Annexure B”.
3. With respect to the matter to be included in the Auditor’s Report under section 197(16) of the Act in our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act.
4. With respect to the other matters to be included in the Auditor Report in accordance with Rule 11 of the Companies (Audit and Auditor) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The standalone financial statement discloses the impact of pending litigations as at 31st March, 2025 on its financial position of the Group;
 - ii. The Company did not have any long- term contracts including derivative contracts for which there were any material foreseeable losses; and
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
 - iv.
 - a) The respective Managements of the Company and its subsidiaries which are companies incorporated in India, whose financial statements have been audited under the Act, have represented to us that, to the best of their knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company or any of such subsidiaries to or in any other person or entity, including foreign entity (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company or any of such subsidiaries (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - b) The respective Managements of the Company and its subsidiaries which are companies incorporated in India, whose financial statements have been audited under the Act, have represented to us that, to the best of their knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company or any of such subsidiaries from any person or entity, including foreign entity (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company or any of such subsidiaries shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

- c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances performed by us on the Company and its subsidiaries which are companies incorporated in India whose financial statements have been audited under the Act, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- d) The dividend declared or paid during the year by the Company is in compliance with section 123 of the Act.
5. With respect to the matters specified in paragraphs 3(xxi) and 4 of the Companies (Auditor's Report) Order, 2020 (the "Order"/ "CARO") issued by the Central Government in terms of Section 143(11) of the Act, to be included in the Auditor's report, according to the information and explanations given to us, and based on the CARO reports issued by us for the Company and its subsidiaries included in the financial statements of the Company, to which reporting under CARO is applicable, we report that there are no qualifications or adverse remarks in these CARO reports.
6. Based on our examination, which included test checks, the Company has used accounting software for maintaining its books of account for the financial year ended March 31, 2025, which has a feature of recording audit trail (edit log) facility, and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with.

Annexure - A to the Independent Auditor's Report

The Annexure referred to in Independent Auditor's Report to the members of the Company on the standalone Ind AS financial statements for the year ended 31st March 2025, we report that:

i. In respect of Company's Property, Plant & Equipment:

a.

(A) In our opinion, the Company has maintained proper records showing full particulars including quantitative details and situation of Property, Plant and Equipment.

(B) According to the information and explanations give to us and based on our examination of the records of the Company, the company does not own any intangible assets. Accordingly, para (i) (a)(B) of the Order is not applicable.

b. As explained to us, physical verification of Property, Plant and Equipment is being conducted in a phased programme by the management designed to cover all the assets at reasonable intervals, which in our opinion is reasonable having regard to the size of the Company and the nature of assets. According to the information and explanations given to us no material discrepancies were noticed on such verification.

c. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of all immovable properties owned by the Company are held in the name of the Company.

d. The Company was not required to revalue its Property, Plant and Equipment during the FY 2024-25, Accordingly, para (i)(c) the Order is not applicable.

e. According to the information and explanations give to us and based on our examination of the records of the Company, no proceedings have been initiated or are pending against the company for holding any property under the Benami Transactions (Prohibition) Act, 1988 and rules made thereunder, Accordingly, para (i)(e) to the Order is not applicable.

ii.

f. As explained to us by the management, inventories purchased by the Company are directly dispatched from the premises of the supplier to the place of export or the buyer's premises. Due to the specialized nature of the business it is not possible to physically verify the inventories. The stock as on the balance sheet date is either in transit or at the premises of the supplier.

g. During the F.Y. 2024-25 the company has been sanctioned working capital limits exceeding Rs. 5 crores in aggregate, from banks or financial institutions on the basis hypothecation of stock and book debts. In this regards, subject to reconciliation statements prepared by the Company, provided in Note No. 33 of the Standalone Financial Statements, stock statements filed by the company with the banks and financial institutions are in agreement with the books of accounts of the Company.

iii. In our opinion and according to the information and explanations given to us, the Company has not granted any loans, secured or unsecured, to any companies, firms, Limited Liability Partnerships or other parties as covered in the register maintained under Section 189 of the Act. Accordingly, para 3 of the order is not applicable.

iv. In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of section 185 and 186 of the Act, with respect to loans, investments and guarantees made.

v. In our opinion and according to the information and explanations given to us, the Company has not accepted any deposit within the meaning of Section 73 to 76 of the Act and the rules framed thereunder. In the case of amounts which are deemed to be deposits the company has complied with the directives issued by the Reserve Bank of India and the provision of section 73 to 76 or any other provisions of the Companies Act and the rules made thereunder.

vi. The Central Government has not prescribed the maintenance of cost records under section 148(1) of the Act, for any of the services rendered by the Company.

- vii.
- h. According to the records of the Company and the information and explanations given to us, the Company has been regularly depositing with the appropriate authorities undisputed statutory dues including Provident Fund, Employees State Insurance, Income tax, Sales-Tax, Duty of Customs, Duty of Excise, Value added Tax, Goods and Service Tax, cess and any other statutory dues applicable to it. There are no undisputed statutory dues as referred to above as at 31st March, 2025 outstanding for a period of more than six months from the date they become payable.
- i. The particulars of statutory dues referred to in sub-clause (a) as at March 31, 2025 which have not been deposited on account of a dispute, are as follows:

Name of Statute	Nature of Dues	Amount (Rupees in Lakhs)	Period to which the amount relates (Previous years)	Forum where the dispute is pending
Income Tax Act	Income Tax (including Interest)	379.59	2013-14	CIT (Appeals)
		220.61	2014-25	CIT (Appeals)
		334.92	2016-17	CIT (Appeals)
		258.84	2020-21	CIT (Appeals)

GST Matter:

An appeal has been filed under GST against a demand of ₹25.56 lakhs for the Financial Year 2018-19, arising from purchases made from a non-GST compliant party. The outcome of the appeal is pending as of the balance sheet date.

- viii. Based on our audit procedures and according to the information and explanations given by the management, there are no such transactions which were earlier not recorded in the books of accounts and have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).
- ix.
- j. Based on our audit procedures and according to the information and explanations given by the management, the Company has not defaulted in repayment of loans from bank. Further as per the records of the Company, during the year there were no loans or borrowings from any financial institution, government or debenture holders.
- k. Based on our audit procedures and according to the information and explanations given by the management the company has not been declared as a willful defaulter by any bank of financial institutions.
- l. In our opinion and according to the information and the explanation given to us, the Company has not raised any term loans.
- m. Based on our audit procedures and according to the information and explanations given by the management, the short term funds raised by the company have not been used for its long term purposes.
- n. Based on our audit procedures and according to the information and explanations given by the management, the company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associate companies.
- o. Based on our audit procedures and according to the information and explanations given by the management, the company has not raised any loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies.
- x.
- p. Based on our audit procedures and according to the information and explanations given by the management, the company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, para 3(x)(a) of the Order is not applicable.
- q. Based on our audit procedures and according to the information and explanations given by the management, the company has not made any preferential allotment or private placement of shares or convertible debentures during the year. Hence para 3(x)(b) of the Order is not applicable.
- xi. Based upon the audit procedures performed and to the best of our knowledge and belief and according to the information and explanations given to us no

- fraud on the company has been noticed or reported during the year. We have nothing to report in para 3(xi) of the Order.
- xii. Based upon the audit procedures performed and to the best of our knowledge and belief and according to the information and explanations given to us the Company is not a Nidhi company. Accordingly, para 3(xii) of the Order is not applicable.
- xiii. According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with sections 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable Indian Accounting Standards.
- xiv. r. According to the information and explanations given to us and based on our examination of the records of the Company, the company has an internal audit system which is commensurate with the size and nature of its business.
- s. The report of the internal auditors of the period under consideration have been considered by us at the time of drawing an opinion on the financial statements of the Company.
- xv. According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with directors or persons connected with him. Accordingly, paragraph 3(xv) of the Order is not applicable.
- xvi. The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act 1934. Accordingly, para 3(xvi) of the Order is not applicable.
- xvii. According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not incurred any cash losses during the financial year and in the immediately preceding financial year.
- xviii. According to the information and the explanations given to us and based on our examination of the records of the Company, there has been no resignation by the statutory auditor of the Company during the period under consideration. Accordingly, para 3(xviii) of the Order is not applicable.
- xix. According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dated of realization of financial assets and the payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and the management plans, we are of the opinion that no material uncertainty exists as on the date of the audit report that the company is capable of meeting its liabilities existing as at the balance sheet date as and when they fall due within a period of 1 year from the balance sheet date.
- xx. According to the information and explanation given to us and based on our examination of books of accounts and other documents, no amounts unspent under sub-section (5) of section 135 of the Act, pursuant to on-going projects, has been transferred to special account in compliance with the provisions of sub-section (6) of Section 135 of the Act.
- xxi. Our opinions are drawn on the standalone financial statements of the Company and its state of affairs as at 31st March, 2025. Accordingly, any reporting as required under para 3(xxii) of the Order is not applicable.

Annexure - B to the Independent Auditor's Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Lahoti Overseas Limited ("the Company") as of 31st March, 2025 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and,

both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls systems with reference to Standalone Financial Statements.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles.

A company's internal financial control over financial reporting includes those policies and procedures that:

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an internal financial controls with reference to financial statements as at 31st March, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India

Notes forming part of the Standalone Financial Statements

Corporate Information

The Company was formed in 1995 with the main object to undertake the business of merchant exports and trading activity of yarn and textiles. The Company is a public limited company incorporated in India and has its registered office at 307, Arun Chambers, Tardeo, Mumbai, Maharashtra, India. The company diversified its operations in generation of power through wind mills and solar panels.

1. Significant Accounting Policies

1. Basis of Preparation

- a) The financial statements have been prepared in compliance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act.
- b) The financial statements have been prepared on the historical cost basis except for the following assets and liabilities which have been measured at fair value financial instruments measured at fair value through profit and loss.

II. Critical accounting estimates and judgments:

The preparation of these financial statements in conformity with the recognition and measurement principles of Ind AS requires management to make judgments, estimates and assumptions, that affect the reported balances of assets and liabilities, disclosures relating to contingent liabilities as at the date of the financial statements and the reported amounts of income and expenses for the years presented. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected. In particular, information about significant areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the financial statements pertain to:

a. Useful lives of property, plant and equipment and intangible assets:

The Company has estimated useful life of each class of assets based on the nature of assets, the estimated usage of the asset, the operating condition of the asset, past history of replacement, anticipated technological changes, etc. The Company reviews the useful life of property, plant and equipment and Intangible assets as at the end of each reporting period. This reassessment may result in change in depreciation expense in future periods.

b. Impairment testing:

Property, plant and equipment and Intangible assets that are subject to amortization/depreciation are tested for impairment when events occur or changes in circumstances indicate that the recoverable amount of the cash generating unit is less than its carrying value. The recoverable amount of cash generating units is higher of value-in-use and fair value less cost to sell. The calculation involves use of significant estimates and assumptions which includes turnover and earnings multiples, growth rates and net margins used to calculate projected future cash flows, risk-adjusted discount rate, future economic and market conditions.

c. Fair value measurement of derivative and other financial instruments:

The fair value of financial instruments that are not traded in an active market is determined by using valuation techniques. This involves significant judgments in selection of a method in making assumptions that are mainly based on market conditions existing at the Balance Sheet date and in identifying the most appropriate estimate of fair value when a wide range of fair value measurements are possible.

d. Litigation:

From time-to-time, the Company is subject to legal proceedings the ultimate outcome of each being always subject to many uncertainties inherent in litigation. A provision for litigation is made when it is considered probable that a payment will be made and the amount of the loss can be reasonably estimated. Significant judgment is made when evaluating, among other factors, the probability

of unfavorable outcome and the ability to make a reasonable estimate of the amount of potential loss. Litigation provisions are reviewed at each accounting period and revisions made for the changes in facts and circumstances.

e. Defined benefit plans:

The cost of the defined benefit plans and the present value of the defined benefit obligation are based on actuarial valuation using the projected unit credit method. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each Balance Sheet date.

III. Borrowing Costs:

Borrowing costs are recognized in the Statement of Profit and Loss in the year in which they are incurred.

IV. Inventories:

Finished Goods: At lower of cost and net realizable value.

V. Property, Plant and Equipment:

Items of property, plant and equipment are stated in balance sheet at cost less accumulated depreciation and accumulated impairment losses, if any.

When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.

An item of property, plant and equipment is de-recognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of property, plant and equipment and is recognised in profit or loss.

Depreciation is recognised so as to write off the cost of assets (other than freehold land and Capital work-in-progress) less their residual values on written down value method over their useful lives as indicated in Schedule II of the Companies Act, 2013. Depreciation methods, useful lives and residual values are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

The estimated useful lives are as follows:

Asset Category	No. of Years
Buildings	60
<u>Plant and machinery –</u>	
Wind Power Generation	22
Solar Power Generation	22
Computers and Computer Peripherals	3
Furniture and fixtures	10
Office Equipment	5
Vehicles	6

For transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment ('PPE') recognized as of April 01, 2014 i.e. transition date, measured as per the previous GAAP and use that carrying value as its deemed cost as of the transition date.

VI. Income Taxes:

Income tax expense comprises current and deferred tax. It is recognized in profit and loss except to the extent that it relates to items recognized directly in equity or in OCI.

a. Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. It is measured using tax rates enacted or substantively enacted at the reporting date. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities. Current tax assets and liabilities are offset only if:

- i. there is a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority; and
- ii. There is an intention either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

b. **Deferred tax**

Deferred tax assets are recognized to the extent that it is regarded as probable that deductible temporary differences can be realized. The Company estimates deferred tax assets and liabilities based on current tax laws and rates and in certain cases, business plans, including management's expectations regarding the manner and timing of recovery of the related assets. Changes in these estimates may affect the amount of deferred tax liabilities or the valuation of deferred tax assets and thereby the tax charge in the Statement of Profit or Loss. Provision for tax liabilities require judgments on the interpretation of tax legislation, developments in case law and the potential outcomes of tax audits and appeals which may be subject to significant uncertainty. Therefore the actual results may vary from expectations resulting in adjustments to provisions, the valuation of deferred tax assets, cash tax settlements and therefore the tax charge in the Statement of Profit or Loss.

VII. **Revenue recognition:**

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured and there exists reasonable certainty of its recovery. Revenue is measured based on the consideration specified in the contract with a customers. Revenue from contracts with customers is recognised when services are provided and it is highly probable that a significant reversal of revenue is not expected to occur. If the consideration promised in a contract includes a variable amount, the company estimates the amount of consideration to which it will be entitled in exchange for rendering the promised services to a customer. The amount of consideration can vary because of discounts, rebates, refunds, credits, price concessions, incentives, performance bonuses, or other similar items. The promised consideration can also vary if an entitlement to the consideration is contingent on the occurrence or non-occurrence of a future event.

Income from operations:

The Company has adopted Ind AS 115 – Revenue from Contract with Customers with effect from 1st April, 2018.

Revenue is measured at the fair value of the consideration received or receivable. Revenue from export sale of goods is recognized; on the date of Bill of Lading/Airway Bill and significant risks and rewards in respect of ownership of products are transferred by the Company after the Bill of Lading/Airway Bill is accepted by the buyer against the payment of consideration or bank acceptance for making the payment within specified period of credit, the entity retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold and no significant uncertainty exist regarding the amount of consideration that will be derived from the sale of goods as well as regarding its ultimate collection.

Amounts disclosed as revenue are net of variable consideration on account of various Discounts, Rebates, incentives offered by the Company as a part of the contract.

a. **Export Sales:**

The company accounts for its Export Sales, consistently on the basis of date of Bill of Lading / Airway Bill. This applies to all export sales made on Cost Insurance and Freight (CIF), Free on Board (FOB), Cost & Freight (C & F), and Cash against Delivery of Documents (CADD) basis.

b. **Local Sales:**

The company accounts for its local sales at the fair value of the consideration received or receivable.

c. **Income from Sale of Power Generation:**

Income from sale of power is recognized on the basis of the meter reading taken as per the Electric Board Authorities (EBA) based on the Power Purchase Agreements (PPA).

d. **Interest income:**

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can

be measured reliably. Interest income is accrued on a time basis, by reference to the principal amount outstanding and at the effective interest rate applicable, which is the rate that discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

e. Dividend:

Dividend income from investment is recognised when the right to receive payment has been established,

Provided that it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably.

f. Rental Income/Lease Income:

Rent/Lease Income is recognized as and when they accrue on the basis of Rent/Lease Agreement entered into by the company and the leasee.

g. Export Incentives:

i) Duty Drawback:

Export benefits under duty entitlement passbook and duty drawback are accounted on accrual basis to the extent considered receivable.

ii) RODTEP:

Revenue on sale of RODTEP licenses are recognized as and when the company identifies a buyer of these licenses in the open market and is able to sell them.

VIII. Financial instruments:

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

a. Financial assets:

Classification

The Company shall classify financial assets as subsequently measured at amortised cost, fair value through other comprehensive income (FVOCI) or fair value through profit and loss (FVTPL) on the basis of its business model for managing the financial assets and the contractual cash flow characteristics of the financial assets.

Initial recognition and measurement

All financial assets are recognised initially at fair value, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in four categories:

- Debt instruments at amortised cost
- Debt instruments at fair value through other comprehensive income
- Debt instruments and equity instruments at fair value through profit or loss
- Equity instruments measured at fair value through other comprehensive income
- Other Investments (government bonds)

Debt instruments at amortised cost

A 'debt instrument' is measured at the amortised cost if both the following conditions are met;

The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and

Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the effective interest rate. The effective interest rate amortization is included in Other Income in the profit or loss. The losses arising from impairment are recognised in the profit or loss.

Debt instrument at fair value through other comprehensive income

A 'debt instrument' is measured as at fair value through other comprehensive income if both of the following criteria are met:

- a) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- b) The contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Debt instruments included within the fair value through other comprehensive income category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income. However, the Company recognizes interest income, impairment losses & reversals and foreign exchange gain or loss in the profit or loss. On de-recognition of the asset, cumulative gain or loss previously recognised in other comprehensive income is reclassified from the equity to profit or loss. Interest earned whilst holding fair value through other comprehensive income debt instrument is reported as interest income using the EIR method.

Debt instrument at fair value through profit or loss

Fair value through profit or loss is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortised cost or as fair value through other comprehensive income, is classified as at fair value through profit or loss.

In addition, the Company may elect to designate a debt instrument, which otherwise meets amortised cost or fair value through other comprehensive income criteria, as at fair value through profit or loss. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch').

Equity instruments

All equity instruments in scope of Ind AS 109 are measured at fair value. Equity instruments which are

held for trading are classified as at fair value through profit or loss. For all other equity instruments, the Company may make an irrevocable election to present subsequent changes in the fair value in other comprehensive income. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at fair value through other comprehensive income, then all fair value changes on the instrument, including foreign exchange gain or loss and excluding dividends, are recognised in the other comprehensive income. There is no recycling of the amounts from OCI to profit or loss, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity.

Equity instruments included within the fair value through profit or loss category are measured at fair value with all changes recognized in the profit or loss.

b. Financial liabilities and equity instruments

Classification as debt or equity

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity Instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company are recognised at the proceeds received, net of direct issue costs.

Initial recognition and measurement

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

Subsequent measurement

All financial liabilities are subsequently measured at amortised cost using the effective interest method or at fair value through profit or loss.

Financial liabilities at fair value through profit or loss

Financial liabilities are classified as at fair value through profit or loss when the financial liability is either contingent consideration recognised by the Company as an acquirer in a business combination to which Ind AS 103 applies or is held for trading or is designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred principally for the purpose of repurchasing in the near term or on initial recognition it is part of a portfolio of identified financial instruments that the Company manages together and has a recent actual pattern of short-term profit-taking.

Financial liabilities subsequently measured at amortised cost

Financial liabilities that are not held-for-trading and are not designated as at fair value through profit or loss are measured at amortised cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest rate method. Interest expense that is not capitalized as part of costs of an asset is included in the 'Finance costs' line item in profit or loss.

De recognition of financial instruments

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for de recognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

IX. Cash and cash equivalents:

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand and balance with Bank.

X. Earnings per Share:

Basic earnings per share is computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the period. Diluted

earnings per share is computed by dividing the net profit after tax by the weighted average number of equity shares as above and also the weighted average number of equity shares upon conversion of all dilutive potential equity shares.

XI. Cash Flow Statements:

Cash flows are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flow from operating, investing and financing activities of Company is segregated.

XII. Employees benefits:

- i. Short term employee benefits are recognized as an expense at the undiscounted amount in the Profit and loss account of the year in which the related service is rendered. These benefits include compensated absences such as paid annual leave and performance incentives.
- ii. Post-employment and other long term employee benefits are recognized as an expense in the Profit and Loss account for the year in which the employee has rendered services. The expense is recognized at the present value of the amount payable determined using actuarial valuation techniques. Actuarial gains and losses are recognized in full in Profit and Loss account for the period in which they occur.

Liability towards Gratuity is being discharged regularly in accordance with the terms of employment with the employees.

- iii. Provident Fund scheme: The Company makes specified monthly contributions towards Employee Provident Fund to Employees' Provident Fund Organization. Interest is credited to respective employees on regular basis as per the interest rate notified by government on time to time by Employee Provident Fund to Employees' Provident Fund Organization.

XIII. Impairment of Assets:

An asset is treated as impaired when the carrying cost of the asset exceeds its recoverable value. An impairment loss is charged to the Statement of Profit and Loss in the year in which an asset is identified as impaired. The impairment loss recognized in a prior accounting period is reversed if there has been a change in the estimate of the recoverable amount.

XIV. Financial risk management:

The Company has exposure to the following risks arising from financial instruments:

- Credit risk ;
- Liquidity risk ; and
- Market risk

Risk management framework

The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The board of directors is responsible for developing and monitoring the Company's risk management policies.

Risk management policies and systems are reviewed regularly to reflect changes in market conditions and Company's activities. The Company, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

i. Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and investments in debt securities, cash and cash equivalents, mutual funds, bonds etc.

The carrying amount of financial assets represents the maximum credit exposure.

Cash and cash equivalents

Credit risk from balances with banks is managed by the Company's treasury department in accordance with the company's policy. Investment of surplus funds are made in mainly in mutual funds & fixed deposits with good returns and within approved credit ratings.

ii. Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company manages its liquidity risk by ensuring, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risk to the Company's reputation.

iii. Market risk

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from adverse changes in market rates and prices (such as interest rates) or in the price of market risk-sensitive instruments as a result of such adverse changes in market rates and prices. Market risk is attributable to all market risk-sensitive financial instruments and all short term and long-term debt. The Company is exposed to market risk primarily related interest rate risk and the market value of its investments.

XV. Recent Accounting pronouncements:

Standards issued but not yet effective;

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards. There are no such notifications which would have been applicable from April 1, 2021.

30 Earnings Per Share

The Earning per share according to the Ind-AS-33 is as under:

Profit for the year	1,286.06	1,185.21
Shares outstanding during the year (Nos.)	29,171,500	29,171,500

Earnings per Share

Baisc	4.41	4.06
Diluted	4.41	4.06

Note No. 31 : Note on Corporate Social Responsibility (CSR):

As per Section 135 of the Companies Act, 2013, a company, meeting the applicability threshold, needs to spend at least 2% of its average net profit for the immediately preceding three financial years on corporate social responsibility (CSR) activities. The areas for CSR activities are eradication of hunger and malnutrition, promoting education, art and culture, healthcare, destitute care and rehabilitation, environment sustainability, disaster relief, COVID-19 relief and rural development projects. A CSR committee has been formed by the company as per the Act. The funds were primarily utilized through the year on these activities which are specified in Schedule VII of the Companies Act, 2013:

i.	Amount required to be spent by the Company	49.29	42.47
ii.	Amount of Expenditure Incurred	67.50	42.51
iii.	Shortfall/(Excess) at the end of the year (*)	(18.21)	(0.04)
iv.	Total of previous years short fall (8)	-	-
v.	Reasons for shortfall	NA	
vi.	Nature of CSR activities	Education of Children's & Other CSR Activities	
vii.	Details of related party transactions, e.g., contribution to a trust controlled by the company in relation to CSR expenditure as per relevant Accounting Standard.	-	-
viii.	Where a provision is made with respect to a liability incurred by entering into a contractual obligation, the movements in the provision during the year shall be shown separately.	-	-

Notes:

* The company has transferred the amount of shortfalls to a separate fund i.e. Unspent CSR Account as provided in Schedule VII of the Act, the details of which are provided hereunder:

Particulars	Year ended 31/03/2025	Year ended 31/03/2024
Shortfall/(Excess) for the year	(18.21)	(0.04)
Shortfall of previous years	-	-
Total Shortfall/(Excess)	(18.21)	(0.04)
Amount deposited in the Unspent CSR Account	-	-
Shortfall / (Excess)	(18.21)	(0.04)

Notes forming part of the Standalone Financial Statements

Note No. 32 : Key Financial Ratios:

Sr. No.	Particulars	Numerator	Denominator	As at 31/03/2025	As at 31/03/2024	Variance
1	Current Ratio	Current Assets	Current Liabilities	6.18	6.13	0.85%
2	Debt Equity Ratio (\$)	Total Debt	Shareholder's Equity	0.03	0.05	-44.72%
3	Debt Service Coverage Ratio (\$)	Earnings available for debt service	Debt Service	2.53	1.41	80.21%
4	Return on Equity Ratio	Net Profit after Tax	Average Shareholder's Equity	6.62%	6.50%	1.86%
5	Inventory Turnover Ratio (%)	Sales/Revenue from Operations	Average Stock	52.77	36.63	44.08%
6	Net Capital Turnover Ratio	Sales/Revenue from Operations	Working Capital	3.92	3.76	4.14%
7	Net Profit Ratio	Net Profit	Revenue	2.51%	2.39%	4.91%
8	Return on Capital Employed	Net Profit Before Interest and tax	Capital Employed	9.86%	9.19%	7.34%
9	Return on Investment (^)	Income from Investment	Time weighted average value of investments	7.76%	5.42%	43.10%
10	Debtor Turnover Ratio (&)	Credit Sales	Average Debtors	4.90	6.70	-26.76%
11	Creditor Turnover Ratio (*)	Credit Expenses (Purchases)	Average Creditors	135.84	209.62	35.20%

Explanatory Notes for Ratio Variances Exceeding 25%:

- (%) The improvement in the Ratio reflects a strategic reduction in the company's leverage, driven by repayment of loans and a lower reliance on external borrowings.
- (%) Increase in market demand has led to an increase in stock holding position through out the year.
- (^)
- ROI has decreased as a result of lower investment earnings, largely driven by a decline in market valuations and returns across the investment portfolio.
- (%) The decline in the Debtor Turnover Ratio during the year is primarily attributable to higher average trade receivables, indicating a longer collection period compared to the previous year.
- (*) The Creditor Turnover Ratio has decreased due to an increase in average trade payables compared to the previous year.

Notes forming part of the Standalone Financial Statements

Note No. 33 : Note on Borrowings secured against current assets:

The loans from **DBS Bank Ltd., HDFC Bank Ltd., Shinhan Bank Co. Ltd., YES Bank Ltd., Federal Bank Ltd** are secured against Hypothecation of Stock and Book Debts of the Company with pari pasu clause. However the Company is required to file monthly stock statements with all above Banks

Total Re-measurements in OCI	(1.77)	(2.70)
Total Defined Benefit Cost recognized in P&L and OCI	8.51	3.87

Note No. 40 : Provisions, Contingent Liabilities And Contingent Assets:

i. Provisions:

The Company recognizes provisions when a present obligation (legal or constructive) as a result of a past event exists and it is probable that an outflow of resources embodying economic benefits will be required to settle such obligation and the amount of such obligation can be reliably estimated. If the effect of time value of money is material, provisions are discounted using a current pretax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

ii. Contingent liabilities:

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not require an outflow of resources embodying economic benefits or the amount of such obligation cannot be measured reliably. When there is a possible obligation or a present obligation in respect of which likelihood of outflow of resources embodying economic benefits is remote, no provision or disclosure is made.

a. Claims not acknowledged by the Company relating to cases contested by the Company:

Particulars	(₹ in Lakhs)	
	As at March 31, 2025	As at March 31, 2024
(i) Income Tax Matter (Pending before Appellate Authorities in respect of which the Company is in appeal)		
- For A.Y.: 2013-14	379.59	379.59
- For A.Y.: 2014-15	220.61	92.90
- For A.Y.: 2017-18	334.92	334.92
- For A.Y.: 2020-21	258.84	258.84

(ii) GST Matter (Demand raised, pending for Appeal filing)

An appeal has been filed under GST against a demand of ₹25.56 lakhs for the Financial Year 2018-19, arising from purchases made from a non-GST compliant party. The outcome of the appeal is pending as of the balance sheet date.

Notes forming part of the Standalone Financial Statements

iii. Contingent Assets:

Company doesn't have any Contingent assets, hence are not recognized.

Note No. 41 : Foreign Currency Transactions

a. Initial Recognition:

Transactions in foreign currencies are recorded at the exchange rates prevailing on the date of the transaction.

b. Conversion:

At the year-end, monetary items in foreign currencies are converted into rupee equivalents at the year-end exchange rates.

c. Exchange Differences:

All exchange differences arising on settlement and conversions of foreign currency transactions are included in Other Comprehensive Income.

d. Forward Exchange Contracts:

In respect of transactions covered by forward exchange contracts, the difference between the forward rate and the spot rate is recognized as gain/loss. The gain by way of premium on open forward contracts as on the reporting date is amortized over the period of contract on pro-rata basis. The mark to market gain or loss on open forward contracts being the difference between forward contracts booked at spot rate and rate prevailing at the year- end date is recognized in Other Comprehensive Income.

Note No. 42 : Expenditure in foreign currency:

Note No. 44 : Leases:

a. **Lease Expense**

Ind AS 116 is effective from April 2019, Ind AS 116 replaces the existing standard Ind AS 17 and specifies how an entity will recognize, measure, present and disclose leases.

The company has certain operating leases with subsidiary/associate company not of material value for office facilities. Such leases are generally with the option of renewal, with termination at short notice and there exist no formal agreement to categorize it as a Right of Use asset ("RoU Asset") for long term basis and accordingly capitalizing the same on Discounted Cash Flow (DCF) basis is not practical. Rental expenses of ₹ 19,20,000 (31st March, 2024: ₹ 19,20,000) in respect of obligation under operating leases have been recognized in Statement of Profit and Loss for the year.

b. **Lease Income:**

The company has certain investment properties let out under lease/right-to-use agreements. The said agreements are in the nature of operating leases, which generates a material value in the form of lease rents.

As per Ind-AS-116 "Leases", in case of operating leases, the company "lessor" is required to recognise the income generated from the lease on a systematic basis. The company recognises the lease income as and when the payments are due and received on the basis of the lease agreement. As on 31st March, 2025, the company has following investment properties:

(₹ in lakhs)

Particulars	Amortized cost	Fair Value
Flat at Dhawalgiri, Mumbai	194.50	2,900.41
Office at Arun Chambers, Tardeo	0.77	45.08
Office at Coimbatore	3.37	NA
Office at Marathon Futurex, Worli	1,074.84	2,503.65
Flat at Lodha Aria, Sewri	314.35	285.46
Plot of Land at Ahmednagar	10.46	NA
Total	1,598.29	5,734.60

There is no financial impact of such non – compliance on the financial statements, as it is a mere disclosure in the notes to accounts which is informative in nature.

Notes forming part of the Standalone Financial Statements

Note No. 45 : Note on Revenue Recognition of the Solar Division

The Company owns and operates a Solar Power Plant at Pali District, Rajasthan. The existing PPA (Purchase power Agreement) between the Company and Jodhpur Vidyut Vitran Nigam Ltd. (Jodhpur Discom) expired on 31/03/2019. Thereafter the company approached Jodhpur Discom for the renewal of the PPA, however the application of the Company was rejected by Jodhpur Discom. Jodhpur Discom has rejected the application of all other similar solar power generating units in the said district.

Despite of the non-renewal of the PPA, the Company generated 37,58,466 k/wh and 37,99,999 k/wh of power during the financial year 2019-20 and 2020-21 respectively and continued to recognize the revenue on the basis of the rate mentioned in the expired PPA i.e. ₹ 3.14 per kilowatt.

Since the PPA was not renewed and it was uncertain at what rate per kilowatt will the Company receive revenue, the conditions for recognising revenue as laid down in Ind AS 119-”Revenue Recognition” were not fulfilled. Therefore, the Company had decided not to recognize any revenue for financial year 2021-2022 and 2022-23.

The supplementary PPA was executed on 04.09.2023 in FY 2023-24, therefore the company has decided to recognize the revenue for FY 2021-22, 2022-23 and 2023-24 at the rate specified in the PPA i.e. Rs 2.24 and Differential amount of FY 2019-20 was also recognised in FY 2023-24

Particulars	KW Generated
FY 2022-23	3,084,717
FY 2023-24	3,861,552
FY 2024-25	2,672,182

Note No. 46 : Micro, Small And Medium Enterprises:

- With reference to Note No. 38, As at 31st March, 2025, there are Micro, Small and Medium Enterprises, as
- defined in the Micro, Small, and Medium Enterprises Development Act, 2006, to whom the group owes dues. However, no additional disclosures have been made in this regard.
 - The above information regarding Micro, Small and Medium Enterprises has been determined to the extent such parties have been identified on the basis of information available with the Company.

Note No. 47 : Transaction with Struck Off Companies:

During the financial year, the Company has not entered into any transactions with companies that have been struck off under the Companies Act, 2013 or any previous company law.

Note No. 48 : Crypto Currency or Virtual Currency:

The Company has not traded or invested in crypto currencies or virtual currencies during the financial year. Further, the Company does not hold any such assets as at 31st March, 2025, and has not received or made any payments in such forms.

INDEPENDENT AUDITOR'S REPORT

To the Members of Lahoti Overseas Limited

Report on the Audit of the Consolidated Ind AS Financial Statements

Opinion

We have audited the accompanying Consolidated Financial Statements of Lahoti Overseas Limited (hereinafter referred to as "the Holding Company") and its subsidiary (Holding Company and its subsidiary together referred to as "Group"), which comprise the Consolidated Balance Sheet as at 31st March, 2025, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of changes in equity, Consolidated Statement of Cash Flows for the year then ended and notes to the Consolidated AS financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the Consolidated AS financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated financial statements, give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards ("Ind AS") under section 133 of the Act read with the other accounting principles generally accepted in India, of the Consolidated state of affairs of the Company as at March 31, 2025, and Consolidated profit (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the Consolidated Financial Statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 as amended and IND AS. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by The Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Ind AS financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities

in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Consolidated Financial Statement.

Information other than the Financial Statement and Auditors Report Thereon

The Holding Company's Management and Board of Directors is responsible for the other information. The other information comprises the information included in the Holding Company's Annual Report, but does not include the Consolidated Financial Statements and our auditor report thereon. Our opinion on the Consolidated Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management for the Consolidated Financial Statements

The Statement has been prepared on the basis of the annual Consolidated Financial Statements. The Holding Company's management and Board of Directors are responsible for the preparation and presentation of these consolidated financial statements in terms of requirements of the Act that gives a true and fair view of the consolidated financial state of affairs, consolidated profit and other comprehensive income, consolidated changes in equity and consolidated cash flows of the Group in accordance with the applicable accounting standards prescribed under Section 133 of the Act. The respective Board of Directors of the entities included in the group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate

accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or errors, which have been used for the purpose of preparation of the consolidated financial statements by the directors of the Holding Company as aforesaid.

In preparing the Consolidated Financial Statement, management and Board of directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAS will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Statement.

As part of audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from

fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, Intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(1) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate Internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities within the Holding Group to express an opinion on the interim condensed consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the interim condensed consolidated financial statements of which we are independent auditor

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our Independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statement.
- b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statement have been kept by the Company so far as it appears from our examination of those books.

c) The consolidated Balance Sheet, the consolidated Statement of Profit and Loss (including other comprehensive income), the consolidated Statement of Changes in Equity and the consolidated Statement of Cash Flows dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of the consolidated financial statement.

d) In our opinion, the aforesaid consolidated financial statements comply with the Ind AS specified under Section 133 of the Act.

e) On the basis of the written representations received from the directors of the Holding Company and its subsidiary as on 31st March, 2024 taken on record by the Board of Directors of respective Companies, none of the directors is disqualified as on 31st March, 2025 from being appointed as a director in terms of Section 164(2) of the Act.

f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Holding Company and its subsidiary company incorporated in India and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".

2. With respect to the matter to be included in the Auditor's Report under section 197(16) of the Act In our opinion and according to the information and explanations given to us, the remuneration paid by the Holding Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act.

3. With respect to the other matters to be included in the Auditor Report in accordance with Rule 11 of the Companies (Audit and Auditor) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i. The consolidated financial statement disclose the impact of pending litigations as at 31st March, 2025 on its financial position of the Group;

- ii. The Company and its subsidiary company incorporate in India did not have any long- term contracts including derivative contracts for which there were any material foreseeable losses; and
- iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
- iv.
- a) The respective Managements of the Company and its subsidiaries which are companies incorporated in India, whose financial statements have been audited under the Act, have represented to us that, to the best of their knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company or any of such subsidiaries to or in any other person or entity, including foreign entity (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company or any of such subsidiaries (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- b) The respective Managements of the Company and its subsidiaries which are companies incorporated in India, whose financial statements have been audited under the Act, have represented to us that, to the best of their knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company or any of such subsidiaries from any person or entity, including foreign entity (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company or any of such subsidiaries shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances performed by us on the Company and its subsidiaries which are companies incorporated in India whose financial statements have been audited under the Act, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- d) The dividend declared or paid during the year by the Holding Company is in compliance with section 123 of the Act.
4. With respect to the matters specified in paragraphs 3(xxi) and 4 of the Companies (Auditor’s Report) Order, 2020 (the “Order”/ “CARO”) issued by the Central Government in terms of Section 143(11) of the Act, to be included in the Auditor’s report, according to the information and explanations given to us, and based on the CARO reports issued by us for the Company and its subsidiaries included in the consolidated financial statements of the Company, to which reporting under CARO is applicable, we report that there are no qualifications or adverse remarks in these CARO reports.
5. Based on our examination, which included test checks, the Company has used accounting software for maintaining its books of account for the financial year ended March 31, 2025, which has a feature of recording audit trail (edit log) facility, and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with.

Annexure “A” to the Independent Auditors’ Report

Report on the Internal Financial Controls under Clause (1) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended 31 March, 2025, we have audited the internal financial controls over financial reporting of Lahoti Overseas Limited (“the Company”) and its subsidiary companies which are companies incorporated in India, as of that date.

Management’s Responsibility for Internal Financial Controls

The Board of Directors of the Company and its subsidiary companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (“the ICAI”). These responsibilities include the design, Implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors’ Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company and its subsidiary companies, which are companies incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we

comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company and its subsidiary companies, which are companies incorporated in India.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that:

1. Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorization of management and directors of the company; and

3. Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the Company and its subsidiary companies, which are companies

incorporated in India, have, in all material respects, an internal financial controls with reference to financial statements as at 31st March, 2025, based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes forming part of the Consolidated Financial Statements

Corporate Information

The Company was formed in 1995 with the main object to undertake the business of merchant exports and trading activity of yarn and textiles. The Company is a public limited company incorporated in India and has its registered office at 307, Arun Chambers, Tardeo, Mumbai, Maharashtra, India. The company diversified its operations in generation of power through wind mills and solar panels.

I. Significant Accounting Policies

I. Basis of Preparation

- a) The financial statements have been prepared in compliance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act.
- b) The financial statements have been prepared on the historical cost basis except for the following assets and liabilities which have been measured at fair value financial instruments measured at fair value through profit and loss.

II. Critical accounting estimates and judgments:

The preparation of these financial statements in conformity with the recognition and measurement principles of Ind AS requires management to make judgments, estimates and assumptions, that affect the reported balances of assets and liabilities, disclosures relating to contingent liabilities as at the date of the financial statements and the reported amounts of income and expenses for the years presented. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected. In particular, information about significant areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the financial statements pertain to:

a. Useful lives of property, plant and equipment and intangible assets:

The Company has estimated useful life of each class of assets based on the nature of assets, the estimated usage of the asset, the operating condition of the asset, past history of replacement, anticipated technological changes, etc. The Company reviews the useful life of property, plant and equipment and Intangible assets as at the end of each reporting period. This reassessment may result in change in depreciation expense in future periods.

b. Impairment testing:

Property, plant and equipment and Intangible assets that are subject to amortization/depreciation are tested for impairment when events occur or changes in circumstances indicate that the recoverable amount of the cash generating unit is less than its carrying value. The recoverable amount of cash generating units is higher of value-in-use and fair value less cost to sell. The calculation involves use of significant estimates and assumptions which includes turnover and earnings multiples, growth rates and net margins used to calculate projected future cash flows, risk-adjusted discount rate, future economic and market conditions.

c. Fair value measurement of derivative and other financial instruments:

The fair value of financial instruments that are not traded in an active market is determined by using valuation techniques. This involves significant judgments in selection of a method in making assumptions that are mainly based on market conditions existing at the Balance Sheet date and in identifying the most appropriate estimate of fair value when a wide range of fair value measurements are possible.

d. Litigation:

From time-to-time, the Company is subject to legal proceedings the ultimate outcome of each being always subject to many uncertainties inherent in litigation. A provision for litigation is made when it is considered probable that a payment will be made and the amount of the loss can be reasonably estimated. Significant judgment is made when

evaluating, among other factors, the probability of unfavorable outcome and the ability to make a reasonable estimate of the amount of potential loss. Litigation provisions are reviewed at each accounting period and revisions made for the changes in facts and circumstances.

e. **Defined benefit plans:**

The cost of the defined benefit plans and the present value of the defined benefit obligation are based on actuarial valuation using the projected unit credit method. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each Balance Sheet date.

III. Borrowing Costs:

Borrowing costs are recognized in the Statement of Profit and Loss in the year in which they are incurred.

IV. Inventories:

Finished Goods: At lower of cost and net realizable value.

V. Property, Plant and Equipment:

Items of property, plant and equipment are stated in balance sheet at cost less accumulated depreciation and accumulated impairment losses, if any.

When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.

An item of property, plant and equipment is de-recognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of property, plant and equipment and is recognised in profit or loss.

Depreciation is recognised so as to write off the cost of assets (other than freehold land and Capital work-in-progress) less their residual values on written down value method over their useful lives as indicated in Schedule II of the Companies Act, 2013. Depreciation methods, useful lives and residual values are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

The estimated useful lives are as follows:

Asset Category	No. of Years
Buildings	60
Plant and machinery –	
Wind Power Generation	22
Solar Power Generation	22
Computers and Computer Peripherals	3
Furniture and fixtures	10
Office Equipment	5
Vehicles	6

For transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment ('PPE') recognized as of April 01, 2014 i.e. transition date, measured as per the previous GAAP and use that carrying value as its deemed cost as of the transition date.

VI. Income Taxes:

Income tax expense comprises current and deferred tax. It is recognized in profit and loss except to the extent that it relates to items recognized directly in equity or in OCI.

a. **Current tax**

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. It is measured using tax rates enacted or substantively enacted at the reporting date. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities. Current tax assets and liabilities are offset only if:

- i. there is a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority; and
- ii. There is an intention either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

b. **Deferred tax**

Deferred tax assets are recognized to the extent that it is regarded as probable that deductible temporary differences can be realized. The Company estimates deferred tax assets and liabilities based on current tax laws and rates and in certain cases, business plans, including management's expectations regarding the manner and timing of recovery of the related assets. Changes in these estimates may affect the amount of deferred tax liabilities or the valuation of deferred tax assets and thereby the tax charge in the Statement of Profit or Loss. Provision for tax liabilities require judgments on the interpretation of tax legislation, developments in case law and the potential outcomes of tax audits and appeals which may be subject to significant uncertainty. Therefore the actual results may vary from expectations resulting in adjustments to provisions, the valuation of deferred tax assets, cash tax settlements and therefore the tax charge in the Statement of Profit or Loss.

VII. **Revenue recognition:**

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured and there exists reasonable certainty of its recovery. Revenue is measured based on the consideration specified in the contract with a customers. Revenue from contracts with customers is recognised when services are provided and it is highly probable that a significant reversal of revenue is not expected to occur. If the consideration promised in a contract includes a variable amount, the company estimates the amount of consideration to which it will be entitled in exchange for rendering the promised services to a customer. The amount of consideration can vary because of discounts, rebates, refunds, credits, price concessions, incentives, performance bonuses, or other similar items. The promised consideration can

also vary if an entitlement to the consideration is contingent on the occurrence or non-occurrence of a future event.

Income from operations:

The Company has adopted Ind AS 115 – Revenue from Contract with Customers with effect from 1st April, 2018.

Revenue is measured at the fair value of the consideration received or receivable. Revenue from export sale of goods is recognized; on the date of Bill of Lading/Airway Bill and significant risks and rewards in respect of ownership of products are transferred by the Company after the Bill of Lading/Airway Bill is accepted by the buyer against the payment of consideration or bank acceptance for making the payment within specified period of credit, the entity retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold and no significant uncertainty exist regarding the amount of consideration that will be derived from the sale of goods as well as regarding its ultimate collection.

Amounts disclosed as revenue are net of variable consideration on account of various Discounts, Rebates, incentives offered by the Company as a part of the contract.

a. **Export Sales:**

The company accounts for its Export Sales, consistently on the basis of date of Bill of Lading / Airway Bill. This applies to all export sales made on Cost Insurance and Freight (CIF), Free on Board (FOB), Cost & Freight (C & F), and Cash against Delivery of Documents (CADD) basis.

b. **Local Sales:**

The company accounts for its local sales at the fair value of the consideration received or receivable.

c. **Income from Sale of Power Generation:**

Income from sale of power is recognized on the basis of the meter reading taken as per the Electric Board Authorities (EBA) based on the Power Purchase Agreements (PPA).

d. Interest income:

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal amount outstanding and at the effective interest rate applicable, which is the rate that discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

e. Dividend:

Dividend income from investment is recognised when the right to receive payment has been established,

Provided that it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably.

f. Rental Income/Lease Income:

Rent/Lease Income is recognized as and when they accrue on the basis of Rent/Lease Agreement entered into by the company and the leasee.

g. Export Incentives:

i) Duty Drawback:

Export benefits under duty entitlement passbook and duty drawback are accounted on accrual basis to the extent considered receivable.

ii) RODTEP:

Revenue on sale of RODTEP licenses are recognized as and when the company identifies a buyer of these licenses in the open market and is able to sell them.

VIII. Financial instruments:

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

a. Financial assets:

Classification

The Company shall classify financial assets as subsequently measured at amortised cost, fair value through other comprehensive income (FVOCI) or fair value through profit and loss (FVTPL) on the basis of its business model for managing the financial assets and the contractual cash flow characteristics of the financial assets.

Initial recognition and measurement

All financial assets are recognised initially at fair value, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in four categories:

- Debt instruments at amortised cost
- Debt instruments at fair value through other comprehensive income
- Debt instruments and equity instruments at fair value through profit or loss
- Equity instruments measured at fair value through other comprehensive income
- Other Investments (government bonds)

Debt instruments at amortised cost

A 'debt instrument' is measured at the amortised cost if both the following conditions are met;

The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and

Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the effective interest rate. The effective interest rate amortization is included in Other Income in the profit or loss. The losses arising from impairment are recognised in the profit or loss.

Debt instrument at fair value through other comprehensive income

A 'debt instrument' is measured as at fair value through other comprehensive income if both of the following criteria are met:

- a) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- b) The contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Debt instruments included within the fair value through other comprehensive income category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income. However, the Company recognizes interest income, impairment losses & reversals and foreign exchange gain or loss in the profit or loss. On de-recognition of the asset, cumulative gain or loss previously recognised in other comprehensive income is reclassified from the equity to profit or loss. Interest earned whilst holding fair value through other comprehensive income debt instrument is reported as interest income using the EIR method.

Debt instrument at fair value through profit or loss

Fair value through profit or loss is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortised cost or as fair value through other comprehensive income, is classified as at fair value through profit or loss.

In addition, the Company may elect to designate a debt instrument, which otherwise meets amortised cost or fair value through other comprehensive income criteria, as at fair value through profit or loss. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch').

Equity instruments

All equity instruments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading are classified as at fair value through profit or loss. For all other equity instruments, the Company may make an irrevocable election to present subsequent changes in the fair value in other comprehensive income. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at fair value through other comprehensive income, then all fair value changes on the instrument, including foreign exchange gain or loss and excluding dividends, are recognised in the other comprehensive income. There is no recycling of the amounts from OCI to profit or loss, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity.

Equity instruments included within the fair value through profit or loss category are measured at fair value with all changes recognized in the profit or loss.

b. Financial liabilities and equity instruments

Classification as debt or equity

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity Instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company are recognised at the proceeds received, net of direct issue costs.

Initial recognition and measurement

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

Subsequent measurement

All financial liabilities are subsequently measured at amortised cost using the effective interest method or at fair value through profit or loss.

Financial liabilities at fair value through profit or loss

Financial liabilities are classified as at fair value through profit or loss when the financial liability is either contingent consideration recognised by the Company as an acquirer in a business combination to which Ind AS 103 applies or is held for trading or is designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred principally for the purpose of repurchasing in the near term or on initial recognition it is part of a portfolio of identified financial instruments that the Company manages together and has a recent actual pattern of short-term profit-taking.

Financial liabilities subsequently measured at amortised cost

Financial liabilities that are not held-for-trading and are not designated as at fair value through profit or loss are measured at amortised cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest rate method. Interest expense that is not capitalized as part of costs of an asset is included in the 'Finance costs' line item in profit or loss.

De recognition of financial instruments

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for de recognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

IX. Cash and cash equivalents:

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand and balance with Bank.

X. Earnings per Share:

Basic earnings per share is computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed by dividing the net profit after tax by the weighted average number of equity shares as above and also the weighted average number of equity shares upon conversion of all dilutive potential equity shares.

XI. Cash Flow Statements:

Cash flows are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flow from operating, investing and financing activities of Company is segregated.

XII. Employees benefits:

- i. Short term employee benefits are recognized as an expense at the undiscounted amount in the Profit and loss account of the year in which the related service is rendered. These benefits include compensated absences such as paid annual leave and performance incentives.
- ii. Post-employment and other long term employee benefits are recognized as an expense in the Profit and Loss account for the year in which the employee has rendered services. The expense is recognized at the present value of the amount payable determined using actuarial valuation techniques. Actuarial gains and losses are recognized in full in Profit and Loss account for the period in which they occur.

Liability towards Gratuity is being discharged regularly in accordance with the terms of employment with the employees.

iii. Provident Fund scheme: The Company makes specified monthly contributions towards Employee Provident Fund to Employees' Provident Fund Organization. Interest is credited to respective employees on regular basis as per the interest rate notified by government on time to time by Employee Provident Fund to Employees' Provident Fund Organization.

XIII. Impairment of Assets:

An asset is treated as impaired when the carrying cost of the asset exceeds its recoverable value. An impairment loss is charged to the Statement of Profit and Loss in the year in which an asset is identified as impaired. The impairment loss recognized in a prior accounting period is reversed if there has been a change in the estimate of the recoverable amount.

XIV. Financial risk management:

The Company has exposure to the following risks arising from financial instruments:

- Credit risk ;
- Liquidity risk ; and
- Market risk

Risk management framework

The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The board of directors is responsible for developing and monitoring the Company's risk management policies.

Risk management policies and systems are reviewed regularly to reflect changes in market conditions and Company's activities. The Company, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

i. Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from

customers and investments in debt securities, cash and cash equivalents, mutual funds, bonds etc.

The carrying amount of financial assets represents the maximum credit exposure.

Cash and cash equivalents

Credit risk from balances with banks is managed by the Company's treasury department in accordance with the company's policy. Investment of surplus funds are made in mainly in mutual funds & fixed deposits with good returns and within approved credit ratings.

ii. Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company manages its liquidity risk by ensuring, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risk to the Company's reputation.

iii. Market risk

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from adverse changes in market rates and prices (such as interest rates) or in the price of market risk-sensitive instruments as a result of such adverse changes in market rates and prices. Market risk is attributable to all market risk-sensitive financial instruments and all short term and long-term debt. The Company is exposed to market risk primarily related interest rate risk and the market value of its investments.

XV. Recent Accounting pronouncements:

Standards issued but not yet effective;

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards. There are no such notifications which would have been applicable from April 1, 2021.

Note No. 32 : Note on Corporate Social Responsibility (CSR):

As per Section 135 of the Companies Act, 2013, a company, meeting the applicability threshold, needs to spend at least 2% of its average net profit for the immediately preceding three financial years on corporate social responsibility (CSR) activities. The areas for CSR activities are eradication of hunger and malnutrition, promoting education, art and culture, healthcare, destitute care and rehabilitation, environment sustainability, disaster relief, COVID-19 relief and rural development projects. A CSR committee has been formed by the company as per the Act. The funds were primarily utilized through the year on these activities which are specified in Schedule VII of the Companies Act, 2013:

(₹ in lakhs)

Sr. No.	Particulars	Year ended 31/03/2025	Year ended 31/03/2024
i.	Amount required to be spent by the Company	49.29	42.47
ii.	Amount of Expenditure Incurred	67.50	42.51
iii.	Shortfall/(Excess) at the end of the year (*)	(18.21)	(0.04)
iv.	Total of previous years short fall (8)	-	-
v.	Reasons for shortfall	NA	
vi.	Nature of CSR activities	Education of Children's & Other CSR Activities	
vii.	Details of related party transactions, e.g., contribution to a trust controlled by the company in relation to CSR expenditure as per relevant Accounting Standard.	-	-
viii.	Where a provision is made with respect to a liability incurred by entering into a contractual obligation, the movements in the provision during the year shall be shown separately.	-	-

Notes forming part of the Consolidated Financial Statements

Notes:

- * The company has transferred the amount of shortfalls to a separate fund i.e. Unspent CSR Account as provided in Schedule VII of the Act, the details of which are provided hereunder:

(₹ in lakhs)

Particulars	Year ended 31/03/2025	Year ended 31/03/2024
Shortfall/(Excess) for the year	(18.21)	(0.04)
Shortfall of previous years	-	-
Total Shortfall/(Excess)	(18.21)	(0.04)
Amount transferred to Swacch Bharat Kosh during F.Y. 2021-22	-	-
Amount deposited in the Unspent CSR Account	-	-
Shortfall / (Excess)	(18.21)	(0.04)

Note No. 33 : Key Financial Ratios:

Sr. No.	Particulars	Numerator	Denominator	As at 31/03/2025	As at 31/03/2024	Variance
1	Current Ratio	Current Assets	Curent Liabilities	6.23	6.14	2%
2	Debt Equity Ratio (\$)	Total Debt	Shareholder's Equity	0.03	0.05	-45%
3	Debt Service Coverage Ratio (\$)	Earnings available for debt service	Debt Service	2.58	1.43	81%
4	Return on Equity Ratio	Net Profit after Tax	Average Shareholder's Equity	6.73%	6.59%	2%
5	Inventory Turnover Ratio (%)	Sales/Revenue from Operations	Average Stock	54.43	36.63	49%
6	Net Capital Turnover Ratio	Sales/Revenue from Operations	Working Capital	3.99	3.76	6%
7	Net Profit Ratio	Net Profit	Revenue	2.49%	2.43%	2%
8	Return on Capital Employed	Net Profit before Interest and tax	Capital Employed	9.97%	9.28%	7%
9	Return on Investment (^)	Income from Investment	Time weighted average value of investments	7.94%	10.73%	-26%
10	Debtor Turnover Ratio (&)	Credit Sales	Average Debtors	4.98	6.66	-25%
11	Creditor Turnover Ratio (*)	Credit Expenses (Purchases)	Average Creditors	138.68	210.45	34%

Notes forming part of the Consolidated Financial Statements

Explanatory Notes for Ratio Variances Exceeding 25%:

- (§) The improvement in the Ratio reflects a strategic reduction in the company's leverage, driven by repayment of loans and a lower reliance on external borrowings.
 - (%) Increase in market demand has led to an increase in stock holding position through out the year.
 - (^) ROI has decreased as a result of lower investment earnings, largely driven by a decline in market valuations and returns across the investment portfolio.
- The decline in the Debtor Turnover Ratio during the year is primarily attributable to higher average
- (&) trade receivables, indicating a longer collection period compared to the previous year.
 - (*) The Creditor Turnover Ratio has decreased due to an increase in average trade payables compared to the previous year.

Note No. 34 : Note on Borrowings secured against current assets:

The loans from **DBS Bank Ltd., HDFC Bank Ltd., Shinhan Bank Co. Ltd., YES Bank Ltd., Federal Bank Ltd** are secured against Hypothecation of Stock and Book Debts of the Company with pari pasu clause. However the Company is required to file monthly stock statements with all above Banks

Note No. 41 : Provisions, Contingent Liabilities And Contingent Assets:

i. Provisions:

The Company recognizes provisions when a present obligation (legal or constructive) as a result of a past event exists and it is probable that an outflow of resources embodying economic benefits will be required to settle such obligation and the amount of such obligation can be reliably estimated. If the effect of time value of money is material, provisions are discounted using a current pretax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

ii. Contingent liabilities:

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not require an outflow of resources embodying economic benefits or the amount of such obligation cannot be measured reliably. When there is a possible obligation or a present obligation in respect of which likelihood of outflow of resources embodying economic benefits is remote, no provision or disclosure is made.

a. Claims not acknowledged by the Company relating to cases contested by the Company:

(₹ in Lakhs)

Particulars	As at March 31, 2025	As at March 31, 2024
(i) Income Tax Matter (Pending before Appellate Authorities in respect of which the Company is in appeal)		
- For A.Y.: 2013-14	379.59	379.59
- For A.Y.: 2014-15	220.61	92.90
- For A.Y.: 2017-18	334.92	334.92
- For A.Y.: 2020-21	258.84	258.84

Notes forming part of the Consolidated Financial Statements

(ii) GST Matter (Demand raised, pending for Appeal filing)

An appeal has been filed under GST against a demand of ₹25.56 lakhs for the Financial Year 2018-19, arising from purchases made from a non-GST compliant party. The outcome of the appeal is pending as of the balance sheet date.

iii. **Contingent Assets:**

Company doesn't have any Contingent assets, hence are not recognized.

Note No. 42 : Foreign Currency Transactions

a. **Initial Recognition:**

Transactions in foreign currencies are recorded at the exchange rates prevailing on the date of the transaction.

b. **Conversion:**

At the year-end, monetary items in foreign currencies are converted into rupee equivalents at the year-end exchange rates.

c. **Exchange Differences:**

All exchange differences arising on settlement and conversions of foreign currency transactions are included in Other Comprehensive Income.

d. **Forward Exchange Contracts:**

In respect of transactions covered by forward exchange contracts, the difference between the forward rate and the spot rate is recognized as gain/loss. The gain by way of premium on open forward contracts as on the reporting date is amortized over the period of contract on pro-rata basis. The mark to market gain or loss on open forward contracts being the difference between forward contracts booked at spot rate and rate prevailing at the year- end date is recognized in Other Comprehensive Income.

Note No. 43 : Expenditure in foreign currency:

(₹ in Lakhs)

FOB value as per Financials	50,341.69	45,178.54
Less: Discount Given	(39.24)	(75.11)
Duty Drawback	(912.90)	(780.99)
Export Incentive	(2,127.04)	(2,140.48)
Ocean Freight	(1,573.79)	(807.02)
FOB as per Notes	45,688.73	41,374.95

Note No. 45 : Leases:**a. Lease Expense**

Ind AS 116 is effective from April 2019, Ind AS 116 replaces the existing standard Ind AS 17 and specifies how an entity will recognize, measure, present and disclose leases.

The company has certain operating leases with subsidiary/associate company not of material value for office facilities. Such leases are generally with the option of renewal, with termination at short notice and there exist no formal agreement to categorize it as a Right of Use asset ("RoU Asset") for long term basis and accordingly capitalizing the same on Discounted Cash Flow (DCF) basis is not practical. Rental expenses of ₹ 19.20 Lakhs (31st March, 2024: ₹ 19.20 Lakhs) in respect of obligation under operating leases have been recognized in Statement of Profit and Loss for the year.

b. Lease Income:

The company has certain investment properties let out under lease/right-to-use agreements. The said agreements are in the nature of operating leases, which generates a material value in the form of lease rents.

As per Ind-AS-116 "Leases", in case of operating leases, the company "lessor" is required to recognise the income generated from the lease on a systematic basis. The company recognises the lease income as and when the payments are due and received on the basis of the lease agreement. As on 31st March, 2025, the company has following investment properties:

**Notes forming part of the Consolidated Financial Statements**

(₹ in lakhs)

Particulars	Amortized cost	Fair Value
Flat at Dhawalgiri, Mumbai	194.50	2,900.41
Office at Arun Chambers, Tardeo	0.77	45.08
Office at Coimbatore	3.37	NA
Office at Marathon Futurex, Worli	1,074.84	2,503.65
Flat at Lodha Aria, Sewri	314.35	285.46
Plot of Land at Ahmednagar	10.46	NA
G Vardan Property Details Pending	0.04	186.29
Total	1,598.34	5,920.89

There is no financial impact of such non-compliance on the financial statements, as it is a mere disclosure in the notes to accounts which is informative in nature.

Note No. 46 : Note on Revenue Recognition of the Solar Division

The Company owns and operates a Solar Power Plant at Pali District, Rajasthan. The existing PPA (Purchase power Agreement) between the Company and Jodhpur Vidyut Vitran Nigam Ltd. (Jodhpur Discom) expired on 31/03/2019. Thereafter the company approached Jodhpur Discom for the renewal of the PPA, however the application of the Company was rejected by Jodhpur Discom. Jodhpur Discom has rejected the application of all other similar solar power generating units in the said district.

Despite of the non-renewal of the PPA, the Company generated 37,58,466 k/wh and 37,99,999 k/wh of power during the financial year 2019-20 and 2020-21 respectively and continued to recognize the revenue on the basis of the rate mentioned in the expired PPA i.e. ₹ 3.14 per kilowatt.

Since the PPA was not renewed and it was uncertain at what rate per kilowatt will the Company receive revenue, the conditions for recognising revenue as laid down in Ind AS 119- "Revenue Recognition" were not fulfilled. Therefore, the Company had decided not to recognize any revenue for financial year 2021-2022 and 2022-23.

The supplementary PPA was executed on 04.09.2023 in FY 2023-24, therefore the company has decided to recognize the revenue for FY 2021-22, 2022-23 and 2023-24 at the rate specified in the PPA i.e. Rs 2.24 and Differential amount of FY 2019-20 was also recognised in FY 2023-24.

Notes forming part of the Consolidated Financial Statements

Particulars	KW Generated
FY 2022-23	3,084,717
FY 2023-24	3,861,552
FY 2024-25	2,672,182

Note No. 47 : Micro, Small And Medium Enterprises:

With reference to Note No. 38, As at 31st March, 2025, there are Micro, Small and Medium Enterprises, as

- defined in the Micro, Small, and Medium Enterprises Development Act, 2006, to whom the group owes dues. However, no additional disclosures have been made in this regard.

- The above information regarding Micro, Small and Medium Enterprises has been determined to the extent such parties have been identified on the basis of information available with the Company.

Note No. 48 : Transaction with Struck Off Companies:

During the financial year, the Company has not entered into any transactions with companies that have been struck off under the Companies Act, 2013 or any previous company law.

Note No. 49 : Crypto Currency or Virtual Currency:

The Company has not traded or invested in crypto currencies or virtual currencies during the financial year. Further, the Company does not hold any such assets as at 31st March, 2025, and has not received or made any payments in such forms.
